into Higher Education Abs

Abstracts

Volume 45 Number 3 October 2012

SRHE

Research into Higher Education Abstracts exists to propagate knowledge about, and encourage discussion of, significant research into higher education. Published by Routledge on behalf of the Society for Research into Higher Education, it provides a regular survey of international periodicals relevant to the theory and practice of higher education and also offers a selective coverage of books and monographs. More than 600 abstracts are produced each year.
